(b). Are open to patrons from 12:00am – 5:00am and have had two serious incidents within the previous 12 months.

Businesses that are required (by hours of operation) to submit a safety plan, must submit a plan within 90 days of promulgation of these regulations.

Businesses required to submit a safety plan under the serious incident provision will be notified in writing by the Montgomery County Department of Police (MCPD). These businesses must submit a plan within 90 days of the written notification by MCPD.

Businesses that are required to submit a safety plan for approval shall do so through a portal on the Montgomery County Government website.

Failure to complete or implement a safety plan is a class A violation for each day the business operates without the plan in effect except during the permitted submission or appeal timelines outlined in this Regulation.

Section C. Elements of a Safety Plan

A business safety plan shall include:

- A location specific emergency evacuation plan;
- 24-hour contact information for the business owner, manager, or other designee;
- A statement confirming that all exterior bathroom doors are free opening and cannot be locked, if the bathroom facilities have stalls;
- A statement confirming that the business has received late-night business training from the County;
- A statement committing the business to cooperate with law enforcement investigations for crimes that occur in or in close proximity to their facility with a nexus to their facility, including, but not limited to reasonable, timely, and lawful provision of evidence necessary to investigate the crime in question;
- An acknowledgement that the business is in compliance with applicable Federal, State, and County laws and regulations;
- A statement regarding any resolved or pending citations issued by a government entity in the preceding 3 years;
- A site plan for the business delineating the locations of entrances and exits used by members of the public and the locations of exterior lights and cameras, if applicable;

- A summary of the square footage usable by members of the public and the fire code occupancy limit of the business; and,
- A summary of any applicable security measures, including security personnel, cameras, exterior lighting.

Upon a review of the site map, the County may also require, with written justification, additions to the late-night business safety plan that include:

- Security personnel and training;
- Exterior Lighting; and,
- High-definition security cameras that provide video monitoring and recording, without audio recording capacity, of the interior and exterior of each entryway into the late-night business and the cash register or till.

If a late-night business safety plan requires use of security cameras, then the business must also post signage in conspicuous locations on the interior and exterior of the establishment notifying the public that the premises are subject to video surveillance.

MCPD shall provide a safety plan template consistent with this section on the Montgomery County website.

Section D. Review of Safety Plans

The County shall establish a Safety Plan Review Panel that will receive and conduct a preliminary review of the late-night business safety plan within 30 (thirty) days of receipt of each safety plan.

Each Safety Plan Review Panel shall include a representative from:

- Office of the County Executive (CEX);
- Montgomery County Department of Police (MCPD);
- Department of Environmental Protection (DEP);
- Department of Health & Human Services (DHHS);
- Alcohol Beverage Services (ABS);
- Department of Permitting Services (DPS);
- Board of License Commissioners;
- Regional Service Center where the business is located; and
- A public member of the respective Citizens Advisory Board under which the Business is located.

Section E. Appeal Process

Businesses may appeal the disapproval of a safety plan or the requirement to have to produce a safety plan under the serious incident inclusion provision before the Montgomery County Board of Appeals.

Appeals must be filed within 30 days of receipt of the decision disapproving a plan or notification of the requirement to produce a plan.

Section F. Grant Funding to Support Safety Plan Implementation – General Provisions

This section supports the late-night safety plan program, which requires businesses operating during certain hours to develop and implement business-specific plans to promote the safety of their patrons and employees.

An owner of a business that is required by the County to produce a late-night business safety plan (the Applicant) is eligible for a rebate for up to ten thousand dollars (\$10,000) for costs incurred in implementing an approved safety plan. Funding availability is subject to appropriation by the Montgomery County Council.

By applying for this funding, the Applicant agrees to comply with all applicable federal, state, and local laws and regulations. If Applicant is a tenant of a building, the Applicant further agrees to comply with all applicable building requirements.

Section G. Grant Funding to Support Safety Plan Implementation – Application

An Applicant shall submit a business safety plan reimbursement application on the form prescribed by MCPD once the business safety plan has been approved and implemented.

A completed application shall include:

- (a). The completed form prescribed by MCPD;
- (b). Proof of purchase of an applicable device or service;
- (c). Demonstration of the appearance of each requested item for reimbursement in the business safety plan approved by the County;
